## SECTION 1

# Introduction

This directory provides a list of Kaiser Permanente Medicare Advantage's network providers.

The network providers listed in this directory have agreed to provide you with your health care and vision services. You may go to any of our network providers listed in this directory; however, some services may require a referral.

Use this directory to learn about selecting your Primary Care Providers. This directory will also explain which specialty care services require a referral, how to get a referral, and where to go for urgent care and emergency care.

Your provider network includes physicians in the Mid-Atlantic Permanente Medical Group, P.C., who practice in Kaiser Permanente medical centers. Your network also includes contracted providers who do not practice in Kaiser Permanente medical centers.

## Dental providers

Dental services are provided by Dominion National. For a list of participating dentists, visit [DominionNational.com/kaiserdentists](https://www.dominionnational.com/kaiserdentists) or call Dominion Member Services at **1-855-733-7524** (TTY **711**), Monday through Friday, 7:30 a.m. to 6 p.m. Services received from nonparticipating dentists are not covered.

## Plans with out-of-service area benefits

Many of our individual Medicare health plans include Medicare Explorer,\* a \$1,200 annual allowance for limited out-of-service area routine and continuing care. Medicare Explorer is not included in any plans for group or Federal retirees. The following plans include this benefit:

- Kaiser Permanente Medicare Advantage Standard and High MD (HMO-POS)
- Kaiser Permanente Medicare Advantage Value, Standard, and High DC (HMO-POS)
- Kaiser Permanente Medicare Advantage Value, Standard, and High VA (HMO-POS)

For the best experience, see any provider that accepts Medicare. You do not need a referral or pre-authorization for covered services. To find a provider that accepts Medicare, visit [medicare.gov](https://www.medicare.gov). Coverage is limited to within the United States and its territories. The Medicare Explorer allowance can only be used outside of Kaiser Permanente service areas, which include all or parts of California,

\*Not available with Kaiser Permanente Medicare Advantage Care Plus (HMO-POS), Kaiser Permanente Medicare Advantage Value Baltimore (HMO), Kaiser Permanente Medicare Advantage Value MD (HMO), and Kaiser Permanente Medicare Advantage Liberty (HMO) plans. Members are responsible for any charged amounts for covered services that exceed the annual allowance maximum of \$1,200. Coverage limited to inside the United States and its territories. See your *Evidence of Coverage* for details.

Colorado, Georgia, Hawaii, Maryland, Oregon, Virginia, Washington, DC, and Washington State. To confirm that the area where you are traveling is covered by this benefit, call Member Services at **1-888-777-5536 (TTY 711)**, 8 a.m. to 8 p.m., 7 days a week. See your *Evidence of Coverage* for details at [kp.org/eocmasma](http://kp.org/eocmasma).

## Kaiser Permanente Care Plus (HMO-POS) plan\* with out-of-network benefits

Individuals enrolled in the Kaiser Permanente Medicare Advantage Care Plus (HMO-POS) plan receive a \$1,500 annual allowance for limited out-of-network routine and continuing care.

For the best experience, see any provider that accepts Medicare. You do not need a referral or pre-authorization for covered services. To find a provider that accepts Medicare, visit [medicare.gov](http://medicare.gov). Coverage is limited to within the United States and its territories. See your *Evidence of Coverage* for details at [kp.org/eocmasma](http://kp.org/eocmasma).

## Your primary care provider

You will have to choose one of our network providers listed in this directory to be your Primary Care Provider (PCP). Generally, you must get your health care services from your PCP.

Establishing a relationship with your physician ensures that you get consistent, personalized care. Adults should select a PCP who specializes in internal medicine or family practice. You may also choose a family practitioner to care for your entire family. Women up to age 75 will choose a personal obstetrician-gynecologist (ob-gyn) in addition to their PCP.

## Choosing or changing your doctor

Choose or change your doctor by calling us at **1-888-777-5536 (TTY 711)**, 7 days a week, 8 a.m. to 8 p.m., or by visiting [kp.org/doctor](http://kp.org/doctor). Read about our doctors on [kp.org/doctor](http://kp.org/doctor), including where they went to school, what specialty training they've had, and what other languages they speak. You can change your doctor at any time, for any reason.

## Getting covered care

You must use network providers except in emergency or urgent care situations, for out-of-area renal dialysis, or when using Medicare Explorer or Care Plus benefits. If you obtain routine care from out-of-network providers, neither Medicare nor Kaiser Permanente will be responsible for the costs.

\*Members are responsible for any charged amounts for covered services that exceed the annual allowance maximum of \$1,500. Coverage limited to inside the United States and its territories. This benefit covers limited services. See your *Evidence of Coverage* for details.

The network providers listed in this directory have agreed to provide you with your health care and vision services. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

## Referrals for specialty care

Some services may require a referral. If your PCP decides that you require services from other providers, you will usually be referred to an in-network specialist. Should you require services not available in-network, you must be referred to an out-of-network provider in the community for that service.

You must have an authorized referral for specialty care for us to cover the services and/or supplies provided. If you don't have an authorized referral before you receive services, neither Medicare nor Kaiser Permanente will be responsible for the costs.

Receiving services from out-of-network providers will be authorized only if the services are not available in-network. If a referral to an out-of-network provider is authorized, you pay only the cost share you would have paid if an in-network provider had rendered the service and/or supplies.

Individuals enrolled in plans with Medicare Explorer<sup>1</sup> benefits can use their out-of-area annual allowance to see specialists without a referral or pre-authorization for covered services. For the best experience, see any provider that accepts Medicare. You do not need a referral or pre-authorization for covered services. To find a provider that accepts Medicare, visit [medicare.gov](https://www.medicare.gov). Coverage is limited to within the United States and its territories. The Medicare Explorer allowance can only be used outside of Kaiser Permanente service areas, which include all or parts of California, Colorado, Georgia, Hawaii, Maryland, Oregon, Virginia, Washington, DC, and Washington State.

Kaiser Permanente Medicare Advantage Care Plus<sup>2</sup> members can use their out-of-network annual allowance to see a specialist without referral or pre-authorization for covered services. Coverage is limited to within the United States and its territories. For the best experience, see any provider that accepts Medicare. To find a provider that accepts Medicare, visit [medicare.gov](https://www.medicare.gov). See your *Evidence of Coverage* for details.

<sup>1</sup>Not available with Kaiser Permanente Medicare Advantage Care Plus (HMO-POS), Kaiser Permanente Medicare Advantage Value Baltimore (HMO), Kaiser Permanente Medicare Advantage Value MD (HMO), and Kaiser Permanente Medicare Advantage Liberty (HMO) plans. Members are responsible for any charged amounts for covered services that exceed the annual allowance maximum of \$1,200. Coverage limited to inside the United States and its territories. See your *Evidence of Coverage* for details.

<sup>2</sup>Members are responsible for any charged amounts for covered services that exceed the annual allowance maximum of \$1,500. Coverage limited to inside the United States and its territories. This benefit covers limited services. See your *Evidence of Coverage* for details.

# Self Referrals

You don't need a referral from your PCP for the following specialties. Just call **1-888-777-5536** (TTY **711**), 7 days a week, 8 a.m. to 8 p.m. for an appointment.

- Obstetrics-gynecology
- Optometry
- Behavioral health
- Dental
- Vision

For other types of specialty care, your doctor will refer you.

Out-of-network/non-contracted providers are under no obligation to treat Kaiser Permanente members, except in emergency situations. Please call our customer service number or see your *Evidence of Coverage* for more information, including the cost sharing that applies to out-of-network services.

## When a non-network provider sends you a bill

There may also be times when you get a bill from a provider for the full cost of medical care you have received. If that happens, you should send this bill to us instead of paying it. We will look at the bill and decide whether the services should be covered. If we decide they should be covered, we will pay the provider directly. Bills can be sent to

Kaiser Permanente Claims Administration  
P.O. Box 371860  
Denver, CO 80237-9998

# Emergency Care

You are covered for emergency care. **If you think you are experiencing an emergency, immediately call 911 or go to the nearest emergency facility.** Emergency care can always be obtained in or out of the service area from the nearest available provider.

If you are unsure if your medical problem requires an emergency visit, call **1-800-777-7904** (TTY **711**). Specially trained nurses are available 24 hours a day, 7 days a week, and will direct you to the most appropriate place to receive care.

After the emergency is over, it is important that you notify us by calling the Medical Advice line so that we can be involved in the coordination of your follow-up health care. You can reach the Medical Advice line toll free at **1-800-777-7904** (TTY **711**), 24 hours a day, 7 days a week.

## What is an emergency?

A “medical emergency” is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

## Post-stabilization care

Post-stabilization care consists of medically necessary services related to your emergency medical condition that you receive after your treating physician determines that your condition is clinically stable. Your follow-up post-stabilization care will be covered according to Medicare guidelines. In general, if your emergency care is provided by out-of-network providers, we will try to arrange for in-network providers to take over your care as soon as your medical condition and circumstances allow. Refer to your *Evidence of Coverage* for more information.

# Urgent care

Urgently needed care is medical care you need right away because of an illness, injury, or condition that you did not expect or anticipate, but your health is not in serious danger.

## Inside our service area

When in our service area you must use in-network providers for urgent care, except in unusual and extraordinary circumstances, such as if our providers are temporarily not available or inaccessible (such as during a major disaster, epidemic, war, or riot).

If you require urgent care during normal office hours, call the appointment and advice line. The nurse or representative will find the best location for you to receive the care you need. If your PCP is not located in a Kaiser Permanente medical center, we might ask you to call your physician's office directly.

## Outside our service area

If you need urgent care while outside of the service area, we cover medically necessary services from an out-of-network provider. You must be temporarily outside our service area and you must reasonably believe that your health would seriously deteriorate if you delayed treatment until you returned to our service area. In addition, when out of the service area, you can obtain dialysis treatment from a Medicare-certified dialysis facility. See your *Evidence of Coverage* for details.

- Specialists are listed by specialty, state, county, and provider name and address.
- There is an alphabetical index of providers at the back of this directory.

# Medicare Diabetes Prevention Program

The Medicare Diabetes Prevention Program (MDPP) is designed to give you real-world training to promote healthier lifestyle habits such as long-term dietary changes, increased physical activity, and problem-solving techniques to overcome the challenges of weight loss.

MDPP services are a two-year program and a once-per-lifetime benefit, per beneficiary. This program is covered as additional preventive services, and there is no coinsurance, copayment, or deductible. MDPP services are furnished by MDPP suppliers in person, during scheduled classes.

Medicare beneficiaries are eligible for MDPP services if they are pre-diabetic (according to clinical criteria such as BMI and blood test results) and have not been diagnosed with diabetes or end-stage renal disease.
